OVATION'S Mystery Alley

PROGRAM HIGHLIGHTS | 2023

Murdoch Mysteries - Set in Toronto at the dawn of the 20th century, Murdoch Mysteries is a one-hour drama series that explores the intriguing world of William Murdoch (Yannick Bisson), a methodical and dashing detective who pioneers innovative forensic techniques to solve some of the city's most gruesome murders.

Midsomer Murders - Based on the crime-novel series by author Caroline Graham, 'Midsomer Murders' follows the efforts of Detective Chief Inspector John Barnaby to solve crimes that occur in the wealthy, isolated English county of Midsomer, a picturesque and peaceful place on the outside but one filled with amoral and snobbish eccentrics with all kinds of vices. Chief Barnaby's latest assistant is Detective Sergeant Jamie Winter.

The Doctor Blake Mysteries - World War II veteran Doctor Lucien Blake returns home to Ballarat after nearly 30 years. It's 1959 and his hometown is not the same as he endeavors to take over his late father's practice as a medical general practitioner and also becomes the Ballarat area police surgeon.

The Librarians - This supernatural fantasy series centers on an ancient organization, hidden beneath the Metropolitan Public Library, dedicated to protecting an unknowing world from the secret, magical reality hidden all around. This group solves impossible mysteries, fights supernatural threats and recovers powerful artifacts, including the Ark of the Covenant, the Spear of Destiny and Excalibur.
